FINAL TRANSNATIONAL PARTNERS' MEETING

RSMF's final meeting in Rome began with a warm welcome from UNIMED, our host partner for the event. The team discussed the 3 key project results:

- R1: The Accreditation Monitoring Framework for Securing Remote Exams.
- R2: The Remote Exams Guide Book for Higher Education.
- R3: The Remote Student Monitoring Platform.

The day concluded with a discussion on best practices and lessons learned during the project.

FINAL TRANSNATIONAL PARTNERS' MEETING

The second day started with an introduction of the agenda and discussion of the project's dissemination and exploitation strategy.

The team also reviewed the topics of quality assurance and project evaluation. Then, the team focused on final report preparation, ensuring a comprehensive coverage of all aspects.

The meeting concluded with a discussion on future cooperation opportunities among the partners and a recap of key takeaways from the day.

"The RSMF team is grateful for your unwavering support throughout this journey in developing the Remote Student Monitoring Framework. Our commitment to providing accessible resources remains unwavering, and we encourage you to explore the project's outcomes for your benefit. Thank you!"
